

CIRCLE OF LIFE

GIVING FULL CIRCLE

YOUR GENEROSITY
HELPS US COMPLETE THE
CIRCLE OF LIFE

DEAR FRIEND,

As the hospital's largest fundraiser for the past 15 years, the Doylestown Health Circle of Life event showcases the generosity of countless sponsors and friends. While we diverge from our traditional auction this year, our goal is still the same — to ensure that the circle of generosity surrounding Doylestown Health's Cancer Institute and Doylestown Hospital Hospice remains intact and grows even stronger.

This year's theme, *Giving Full Circle*, embodies the mission of our programs and honors our patients, families, caregivers, and healthcare partners whose lives are intimately connected. As a member of our Doylestown Health community — our inner circle — we hope we can count on your continued partnership.

Over the years, the impact of the Circle of Life event has grown because of the overwhelming and generous support of our medical staff, associates, local businesses and community members. Your participation will have an immediate and life-changing impact on the patients and families who choose Doylestown Health for their most critical healthcare needs.

Every gift matters. We invite you to participate at a level that is most meaningful to you, with 100% of your contribution going directly to our mission. All funds raised directly impact our patients and programs.

The Giving Full Circle reception will be held November 10 at the Thompson BMW showroom, 680 North Main Street, Doylestown. New sponsorship benefits (\$250 and up) include an invitation to this exclusive event, where the winners of the Doylestown Health Raffle will be drawn!

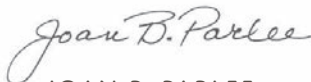

To join us in Giving Full Circle, simply visit DoylestownHealth.org/CircleofLife or return the enclosed sponsorship form. Contact the Doylestown Health Foundation at 215-345-2124 for additional information.

THANK YOU so very much for your consideration.

Warmest Regards,

JAMES L. BREXLER
President and CEO
Doylestown Health

JOAN B. PARLEE
Chair of the Boards
Doylestown Hospital
Doylestown Health Foundation

P.S. Visit DoylestownHealth.org/CircleofLife to make your gift and discover its impact.

FUNDS RAISED THROUGH CIRCLE OF LIFE HAVE A LIFE-CHANGING IMPACT.

At a time when patients and families are most vulnerable — whether facing a cancer diagnosis or making a hospice decision — the tasks and challenges of daily living, such as transportation and bill paying, can be disproportionately stressful. Because of Circle of Life funding, Doylestown Health's Cancer Institute and Doylestown Hospital Hospice can provide additional support services above and beyond to help patients address these challenges. Your support can help provide:

- *Counseling and bereavement services*
- *Funding for essential needs such as prescription co-pays, housing and transportation*
- *Respite care for family members caring for a loved one*
- *Wigs for cancer patients and image recovery services*
- *Integrative medicine approaches such as acupuncture to supplement traditional medical treatment*
- *Survivor fitness programs to help heal both body and mind*

The generosity of Circle of Life donors and sponsors allows cancer and hospice patients, their loved ones and healthcare professionals, to place focus where it matters most — on healing and quality of life.

DOYLESTOWN HEALTH'S CANCER INSTITUTE

Accredited by the American College of Surgeons Commission on Cancer, Doylestown Health's Cancer Institute offers patients the quality care they expect from a leader in cancer diagnosis and treatment — close to home. Comprehensive services include oncology-certified patient navigators, a state-of-the-art infusion suite, Penn Radiation Oncology on site, and access to cutting-edge therapies, innovative treatment options and clinical trials.

DOYLESTOWN HOSPITAL HOSPICE PROGRAM

Doylestown Hospital Hospice is a coordinated program of home care and support services for the terminally ill and their families. Focusing on quality care designed to provide sensitivity and support, patients are able to live at home or a home-like setting, such as a care facility, and enjoy life as fully as possible.

Although most insurance plans offer Hospice coverage, more and more families face rising costs associated with terminal care. Circle of Life funding provides hospice patients additional palliative care options that are not covered by Medicare.

“ CANCER FIT WAS A
HUGE PART OF MY
RECOVERY.

IT IMPROVED MY
STRENGTH AND GAVE
ME HOPE AND A
POSITIVE OUTLOOK —
I NEEDED THAT. ”

– FORMER PATIENT
